**External Users  
Phase 1**

October 2003

## WHAT'S NEW

<p><b>Petition Preparer Software Programs</b></p>	<p>A new security patch has been installed in Version 2. <b>Please contact your software vender for the latest update.</b></p>
<p><b>Log-in / Log-out</b></p>	<p>Previously, if a user logged in with an account already in use, the original session would be disconnected. This was appropriate when the user had forgotten to log out, but inappropriate when two or more individuals shared an account. Now, the second user receives a warning message and can chose to continue or cancel.</p>
<p><b>Trustee's who are practicing attorneys.</b></p>	<p>Due to having two separate logins and passwords, one for your trustee role and one for your attorney role, you may notice if logging in and out of CM/ECF, using your different role types, that you will not see the appropriate screens. To prevent this situation you may do one of the following:</p> <ul style="list-style-type: none"> <li>• Exit the browser then restart the browser</li> <li>• Log out as one role type then login and regenerate the menu. For Netscape, right click and select "Reload Fame"; for Internet Explorer, right click and select "Refresh"</li> </ul>
<p><b>E-mail Notification</b></p>	<p>The Daily Summary Report includes full docket text entries.</p>
<p><b>Data Validation Checks</b></p>	<ul style="list-style-type: none"> <li>• Provides a warning message on Fee Applications when the user does not enter fee request, or compensation request data, and creates a professional fee record for each applicant even when no fees are requested.</li> <li>• The <b>Role</b> type will contain a "blank" selection. If "blank" is chosen by the user, a message will appear and require the user to make a selection before going to the next screen.</li> </ul>

<b>VCIS</b>	Modified to correctly report parties that have a role of "joint debtor"
<b>Court Title/Name</b>	The "Notice of Electronic Filing", "Notice of Bankruptcy Case Filing" and "Notice of Electronic Claims Filing" pages generated by the Case Opening, Docketing and Claims Filing functions, have been modified so that the court title/name now appears directly above the "Notice".
<b>Pacer Billing</b>	<ul style="list-style-type: none"> <li>• Change to billing module to pass the document number and sequence number for a more complete description in the billing transaction log.</li> <li>• When a user clicked a link in the email notice and provided a CM/ECF login, he was required to give a PACER login even if his EM/ECF account had a default PACER login. Now, The default PACER login is used so that the extra step is not required.</li> </ul>
<b>Document Description</b>	The system provides full document description of related documents in docket text.
<b>Party Role Type</b>	Adds the party role type to the docket text.
<b>Linking by Date or Document number</b>	When linking in CM/ECF the users will have the option to link by category, date or document number.
<b>U. S. Trustee</b>	The U. S. Trustee is shown along with other recipients under the label "Notice will be electronically mailed to".
<b>Calendar Reports</b>	Modified to sort times correctly. Recognizes 12:00 a.m. and 12:00 p.m.
<b>Query - Case Summary Screen</b>	<ul style="list-style-type: none"> <li>• Added the confirmation date for Chapter 13's.</li> <li>• The attorney query was modified to prevent the repeat display of the attorney's name and address for each party when the attorney represents multiple parties in the case.</li> </ul>

## Docket Reports
