

Bankruptcy Power Hour

Monday, June 12th at 10:30 a.m. – Bangor Courtroom
Tuesday, June 20th at 11:00 a.m. – Portland Courtroom

Once again, the Bankruptcy Court Clerk's Office for the District of Maine will host a forum for bankruptcy support staff and attorneys covering best practices for filing in CM/ECF, procedural information, and responses to commonly asked questions.

This year's Power Hour sessions will be held in-person in each Courtroom. Our objective is to have an interactive conversation with attendees to:

- Promote an increased understanding of filing procedures.
- Review new or changed procedures.
- Brush up on certain rule requirements and clerk's office expectations.
- Reduce the need for amended or corrective filings.
- Improve upon communication and discourse between the clerk's office and practitioners.

We welcome topic ideas and feedback from bankruptcy practitioners and support staff. Contact Kristen Ford at 207-922-6405 (kristen_e_ford@meb.uscourts.gov) or Rachel Parker at 207-274-5961 (rparker@meb.uscourts.gov) if you have a specific question or topic you would like to have addressed.

Please RSVP to Kristen or Rachel with the names of attendees, as well as the location choice.

Light refreshments will be available.
